To Whom It May Concern:

My name is Danny Alfano and I was one of the managers involved in the purchase of the SP Energy Box from PMI in 2014. Once the 2 boxes were installed we noticed a 12-14% reduction on our electric bill. The company and their 2 representatives Mike Tomasulo and Paul Biagi were a pleasure to deal with and were very professional. We highly recommend the product and are always available for a referral if needed.

Thank You
